Respected HOD Sir,

I am writing on behalf of our team to request permission to conduct a non-technical event titled “**Campus Quest – Treasure Hunt**” as part of **NOVUS**, which is scheduled to be held on **10th October 2026** at the **KLH Bachupally Campus**.

Our event is intended for **1st-year students** and will be conducted for approximately **2 hours**. The registration fee will be **₹50 per participant**.

The event will be a team-based treasure hunt where students will follow a series of clues and complete simple and fun challenges around the campus. The main aim is to encourage teamwork, communication, interaction, and creative thinking among first-year students while helping them enjoy and get familiar with the campus environment.

We will ensure that the event is conducted in an organized manner and follows the necessary campus rules and guidelines. We kindly request you to consider our proposal and grant us permission to conduct the event as part of NOVUS.

Thank you for your time and consideration.

Yours sincerely,
